CASE NO. 16-CR-302
[Signature]
7/21/20

Sir,

I am writing to you in regards to receiving legal representations from your court because I believe I have grounds for relief under the following: U.S. V. BARRET & U.S. V. DAVIS.

I would also like to request to have Mr. Tray A. Smith as my legal counsel being that we have a great relationship & has been on my case since the start.

If for any reason I am denied legal representation I ask that you please state to me in writing the reason (or reasons) for your denial. In advance I thank you very kindly & will patiently await your response.
